The Benefits of Booking Homes over Hotels.

Getting ready is just easier in a home, compared to multiple hotel rooms. Why pay for a Bridal Suite when you already have one in your Duvet Home?

Each of our homes includes designated living rooms, spacious kitchens & fast/reliable Wifi. Makes entertaining easier both before and after the event.

Don't worry, all of our homes meet The City of Charleston's guidelines to be a Licensed & Legal Vacation Rental.

24/7 on-demand Concierge Services from the moment you book. Grocery deliveries, Childcare & beach equipment rentals, Private Chef or in-house masseuse sessions are just a few of the services our team can connect you with!

Off-Street Parking is included with almost all of our Accommodations.

Our professional cleaning services & inspections, gives our guests peace of mind that homes are always sanitized, cleaned, and inspected before & after each guest's arrival.
